

product description: terminal blocks for easy wire connections, available in black and white colors

the basic terminal block is 12-pole; individual terminals can be separated with a cutter or cutting pliers

material white: PA6 (halogen-free)

material black: PP (self-extinguishing)

self-snuffing: yes, within 30 s

temperature resistance white: -25 - +85 °C

temperature resistance black: -40 - +85 °C

flaming loop test: 850 °C

meets the requirements: EN 60998-2-1

storage: ČSN 64 0090

recycling codes:

PA 6

white terminal plate

PP

black terminal plate

BRASS

clamp

PAP

smooth cardboard
